

As was stated at the Jan. Meeting of the Village Bike Club our Club will join the Sumter Landing Club on the away ride on Wed. Feb.8 2012. I am asking that you let me know by Monday Feb.6 if you are planning on going on the ride. I have to turn in a head count so we can notify the restaurant. You can email me at sschwab386@aol.com or call me at 430-3089. Hope we can get a group to participate in this fun ride. John Schwab

Come join your club for the February 8th away ride. The ride will start in historic downtown Clermont approximately 40 miles from the villages. The loop rides will take us around several lakes and through the countryside. We have maps for Three ride options. One is 25 miles around the lakes and through the countryside, one is 32 miles around the lakes, and the third is a bike trail ride on the S Lake/ Lake Apopka trail, linking to the W. Orange Trail. So there is a ride for everyone. All routes will start and end at the same place in historic downtown Clermont, where we will enjoy lunch together in one of the many fine restaurants.

We will meet at the ride start and be ready to ride at 9:00 AM.

Directions to the ride start:

Turn right on Ocoola St. follow to 8th ave and park on the right. You could also take The Florida Turnpike off route 301 to the highway 27 exit. and follow the previous directions. It is two miles shorter and probably a bit faster.
